Delusional Captive

Was
my tea
drugged
- Just
now...?

My body...
I can't exert any
strength from it...
And I'm sleepy,
so sleepy...

Ah.

I got
some
cream
on it!

My
hand,

.....

Just wait a minute!

I'm going to put on a cute decoration and show it to you~

referring to Chisane about the tattoo's going and

A female doctor with long hair could do for

Even if you were with me, I'm sure you'd steal peeks at that female doctor with that forever-long hair, right~P?

It's so cute~♥

Waa ♥

it's done!

I want to help out at Rin-kun's shop, so I went for cooking classes to learn ♥

Eh...?

If you let
me help out
in your shop,
we'll be
together
foreeeever

Rin-tsun is
always busy
with work,
so he has
no time
to play,
right?

Are
you
asleep
already
-?

No, no,
don't look
at me like
a girl with
a heavy
burden.

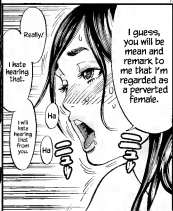

Oh, no way!
I'm not
aggressively
seeking you to
marry me or
something
like that!

I will
definitely
not lose to
the girl
from that
cake shop

or that music idol and movie star,

But compared to that well-endowed, perverted nurse,

Eh?

Because my feelings will not lose to anyone else!

But I have faith that Rin-kyun will definitely return to my side!

Ha

Ha

Could this mean...

The girl... to think that she has thoroughly investigated everyone around me...

Atsuko and Karon... does she know everything about the other ladies as well?

What the, this girl... not only Chouma-chan...

That this girl thinks subconsciously that she is already in a serious relationship with me?

Constantly aiming at my weak point...!

I can't!! No more!!

don't think I can take it anymore!!

How, how could I do this kind of thing...?!

The influence of the begonia will disappear...

If it goes on like this... I will penetrate her eventually...

If that happens...
I'll be happy...

I, I can't... I don't even have the strength to push her away...

I know there is... get me out of here...

When I come back...

She will call the cops...

Rin...

Rin-
kyun.

This isn't good,

I'm already...

Are you already asleep...?

Rin...

I can't wake up...

If only
I could have
given it to you
like it was
my own...

My
first
time,

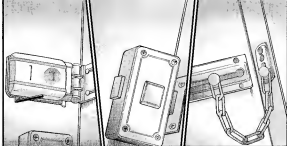

Uwahhhh!!

This
isn't good!
I've got
to get out
of here.
